## Professional Summery

As a junior computer engineering student, I am interested in Java back-end development. My main goal on this path is to support the development of girls in the field of programming and to assist them and other Azerbaijani youth. To achieve this, I have continuously developed myself and have won five scholarship programs with a 100% scholarship.

## Education and training

2022 - 2026	<b>Computer engineering</b> <b>Baku Engineering University, Baku</b> In 2022, I scored 625.8 points in the entrance exam organized by the State Examination Center and was admitted to BEU's computer engineering major. My GPA is 97.92.
Dec 2022 - Feb 2022	<b>Office programs(scholarship/100%)</b> <b>FZ Academy, Baku</b> I was selected among BEU students for the 'Office Programs' scholarship organized by FZ Academy and received a 100% scholarship.
Apr 2023 - May 2023	<b>Pre-coding(scholarship/100%)</b> <b>Matrix Academy, Baku</b> I was selected among 74 women for the 'pre-coding' scholarship organized by Girls Code Azerbaijan and received a 100% scholarship.
Oct 2023 - Nov 2023	<b>Java-Back-end development(scholarship/100%)</b> <b>Baku American center, Baku</b> I won the Back-end development scholarship organized by the Baku American center with a 100% scholarship
Apr 2024 - Jul 2024	<b>IT Project Management(scholarship/100%)</b> <b>Technest, Baku</b>
Sep 2024 - Present	<b>Java Back-end development(scholarship/100%)</b> <b>Matrix Academy, Baku</b> I was selected among over 1000+ women for the Back-end Development scholarship organized by Girls Code Azerbaijan and received a 100% scholarship.
